REQUEST FOR CORRECTION OF NOTICE OF ACCEPTANCE

Assistant Commissioner for Patents Washington, D.C. 20231

Attn.: PCT

Sir:

Applicant requests correction of the *Notice of Acceptance of Application under 35 U.S.C.§371 and 37 CFR §1.494 or 1.495* ("Notice"). Specifically, the date when the last of the 35 U.S.C.§371 requirements was fulfilled is erroneously indicated as August 31, 2001, and should be corrected to <u>February 16, 2001</u>, for the reasons explained below.

Pursuant to U.S.C.§371(d), the U.S. basic national filing fee, a translation of the international application, and an executed oath or declaration of the inventor are the requirements which must be met in order to commence the national stage. As the Notification of Missing Requirements dated January 29, 2001 (copy enclosed herewith) shows, the USPTO received U.S. basic national fee and a translation of the international application among others on December 1, 2000.

In response to the Notification of Missing Requirements, Applicant submitted the executed Declaration to the USPTO by express mail on February 16, 2001. The return postcard indicating that one of the enclosures is Declaration for Nonprovisional Application stamped by the USPTO with the date of February 16, of which a copy is also enclosed herewith, shows that the USPTO actually received the executed Declaration on February 16, 2001. Therefore, Applicant believes that the last of the 35 U.S.C.§371 requirements was received on February 16, 2001, rather

than August 31, 2001, and respectfully request that the date be corrected to February 16, 2001.

No fee is believed due for this Amendment. Should any fee be due, please charge the required amount to Pennie & Edmonds LLP Account No. 16-1150.

Respectfully submitted,

Date: December 18, 2001
